

State and Federal EBT Gateway Fee

PayRange is now offering EBT Cash processing in select states. If your location is in one of these states, PayRange will automatically enroll you in the service and notify your customers.

To cover the additional processing costs incurred for the specialized transaction setup, additional security features (Pin on Glass), and State and Federal Administration Fees where applicable, we will begin charging a State and Federal EBT Gateway Fee starting July 1st, 2023. As a PayRange EBT operator location, you will be charged a monthly fee of \$7.99, which will be automatically deducted from your Sales Summary statement on a weekly basis. Please note that this fee is non-refundable.

If you wish to opt-out of the EBT program at any time, please contact our customer service department. However, please note that the State and Federal EBT Gateway Fee will still apply if you remain enrolled.
